

We'll be Friends

(Lyrics and Music : Matt Laurent)

If I could only tell you just one little thing
I would choose the most important word to say
And then I'd probably give that word to you and sing
La la la, oh yes my friend

Let's go round, let's go square
Let's make everything we care
Let's shake hands, smile and dance, let's be friends!

We'll be friends la la la la la Oh Oh
We'll be friends la la la la la Oh Oh
We'll be friends

And, now that I just gave my word to you
I'll make sure it stays in your heart
So I promise that I'll always tell the truth
Because friends that's what they do

Let's go round, let's go square
And let's sing it everywhere
Let's shake hands, laugh and dance let's be friends

Chorus

We'll be, we'll be friends, we'll be
We'll be, we'll be friends, we'll be

Chorus
